### A TEXAS FEAST

The rally masters, Ronny & Sandra Finke and Mike & Suzanne Reaves welcomed us with great weather and lots of plans. Happy Hour was supposed to be in a different building but thanks to Joanne Pack for taking a fall for us everything was moved to the main building. Thankfully Joanne only sustained minor injuries.

Tuesday night everyone got together for a meet & greet. We were treated to great margaritas and lots of appetizers.

Wednesday morning started with an excellent breakfast followed by a seminar hosted by Bank of America. At lunch time the ladies carpooled to downtown Montgomery to a quaint Tea Room for a fun lunch with Sandra and Suzanne hosting. There were door prizes and lots of good food. In the afternoon some of the more talented ladies did some sewing with Debbie Taylor and Bonnie Miller. The nightly entertainment was "Ramon" the one man band.

Thursday morning the golfers left early for their day of fun. Lots of the ladies went shopping or out to lunch. The weather was still cooperating. In the afternoon there was a pet parade with lots of pets entering and of course prizes. Sandra Finke took pictures of all the entries and presented us with decorated copies. We will certainly treasure our

picture of Kay and the boys. After dinner there was a "Not So Newly Wed Game" with some pretty funny answers especially by the men. The contestants were Peter & Jean de Mille, Keith & Debbie Taylor, Ken & Cathy Williams and Ladon & Bonnie Miller. Each couple took home prize money but the big winners were Ladon & Bonnie.

Friday morning after breakfast a Michelin rep presented a seminar on the Wan-na-go's tire program. There was more shopping to be done and again the weather was super. After dinner the Wan-na-go's own Fabulous DJ Don Rieder entertained everyone. Don had invited a guest singer and they put on a great show with lots of dancing.

Saturday morning after the business meeting Don Shapansky of SeeLevel presented a seminar. He was very informative and all the men enjoyed it. On Saturday night after a great meal, the last of a week of great meals, a whole Casino was brought in for everyone's fun. Ken & Cathy Williams daughter Lisa played the slots for the first time and kept winning jackpots. She had lots of fun and won over \$1,000,000 in play money. All in all everyone had a great time playing at the Casino. It was really fun when "Mr. Cashman" came around handing out envelopes containing cash to the members. They contained \$25, \$50 or \$100 in real money.
