### *A Note from Buddy Gregg's Gene Roblyer*

The following note was sent to Walter Gund:

Walter, I just needed to take a minute and say THANKS for all the help you afforded me while at the Rally. I believe you have set some strong standards for entertainment from my two nights at the Rally. Thanks for allowing me to be part of the Wan-na-go's Vidalia, Louisiana Rally. While we may not have sold the coach at the rally, lots of fellowship was had. Buddy Gregg does look forward to be a part of the future rallies.

If I can ever do anything for you or your club, please call on me.

Gene

*\*What a nice thank you!*
